INDUSTRIAL METALWORK PROJECTS

INDUSTRIAL BUILDING OF IOANNIS KYRIOU AND ASSC. OE

An industrial building with a total surface of 2000 sq.m in Inofita, Viotia. The project required the construction of a modern industrial building comprised of production areas, storage areas as well as a two storey office section. The project included the planning, supply and installation of the metal framework of the building, as well as the roof overlay, exterior side panelling, interior fireproof partitions and permanent metal form-work of both floors.
