INDUSTRIAL METALWORK PROJECTS

LOGISTICS WAREHOUSE FOR PALIRROIA SA

Food production and storage building with a total surface area of 2500sq.m.. in Psachna, Evia. The project involved the planning, construction and installation of a metal building with a double hipped roof. Illuminated panels were placed on the roof to provide natural lighting for the building. A special feature of the building is the opening of the 25m roof without the presence of intermediate columns.
