NEW GROUND FLOOR LOGISTIC CENTER AND OFFICE BUILDING WITH SUPPORT ACTIVITIES

NEW GROUND FLOOR LOGISTIC CENTER AND OFFICE BUILDING WITH SUPPORT ACTIVITIES in the business park of Keratea with a total floor plan area of 10,800sq.m. The purpose of the project is the study, design, construction and erection of a new ground-floor building with gabled roofs as well as a three-story office building with composite slabs. In addition to the coverings of the buildings, the configuration of the architectural projections is also included, which ensure protection of the openings and an aesthetic effect on the office building.
