INDUSTRIAL METALWORK PROJECTS

POULTRY FARM OF HATZELIS MANOLIS SA

Poultry egg production facility with a total surface area of 2.800sq.m in Mytilene.

The project involved the planning, supply and installation of four metal buildings including the roof overlay and side panelling. The poultry farm consists of a 450sq.m packing building, two egg production buildings totalling 1,700sq.m. and a 650sq.m chick aviary.

The chick aviary and the egg production buildings feature an air duct and custom security windows on the roof and both sides.
