

INDUSTRIAL METALWORK PROJECTS

POULTRY FARM OF VLACHAKIS SA

Two-storey poultry farm with a total surface area of 5.700sq.m in the Municipality of Thebes.

The project involved the construction of a two-storey metal building with a double hipped roof. It included the planning, supply and installation of a building including the roof overlay, side panelling and permanent metal form-work of both floors.

A special feature of the building is that the exterior side panels feature an imitation wood surface.
